

THE ARM MORBIDITY SELF-MONITORING STUDY

UNIVERSITY OF BRITISH COLUMBIA

Principal Investigator: Kristin Campbell BSc PT, PhD

Dept. of Physical Therapy

ARE YOU RECEIVING RADIATION THERAPY FOR BREAST CANCER OR HAVE YOU RECENTLY?

STUDY GOAL

We are asking for your help to understand how to assess for shoulder and arm problems women may experience related to breast cancer and its treatment. This can help them know when it may be appropriate to seek physiotherapy care.

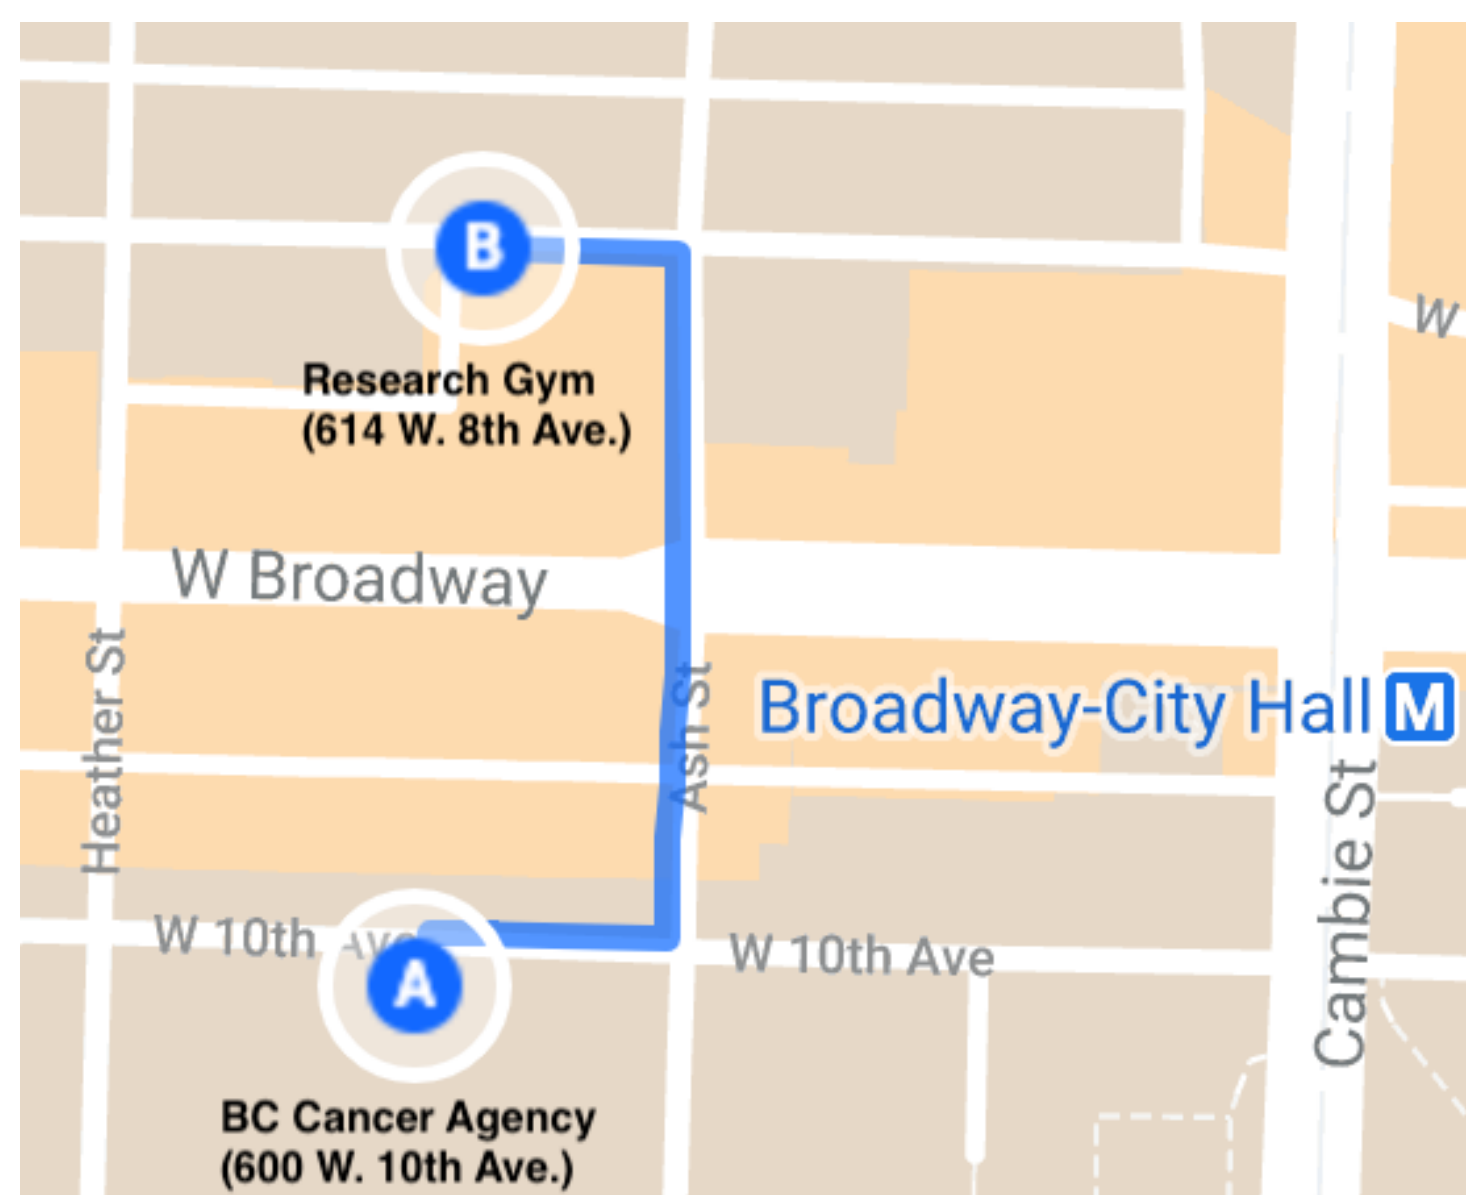

STUDY STEPS

20-30 min. online survey asking:

- Basic questions about you & your breast cancer diagnosis
- About your shoulder/arm function
- About your current feelings & emotions

45-60 min. shoulder/arm assessment

- With a trained assessor near BC Cancer at 614 W. 8th Ave.

Directions from BC Cancer Agency.

1. Turn right onto W. 10th Ave.
2. Turn left onto Ash St. (~70m)
3. Turn left onto W. 8th Ave. (~200m)
4. The building is on the left (~60m)

Parking located at: BC Cancer Centre Parkade (W. 10th Ave. & Ash) or street parking on W. 8th. **Please note you will be reimbursed for parking/travel expenses.**
